Workshop Description:

One-on-One Networking

Here's a chance for small businesses, prime contractors, architects/engineering firms to build business relationships.

- Meet and learn more about contracting opportunities
- 10 to 15 minutes to market your firm and learn more about doing business
- One stop shop to meet with prime contractors and government agencies.
- The workshop is free to firms registered.

Target Audience:

Small businesses such as contractors, sub-contractors (construction related), consultants, haulers/truckers, suppliers, manufacturers, and services providers.

The North American Industry Classification System (NAICS) is the standard used by business and government agencies to classify business establishments according to type of economic activity. For more information about NAICS, see <http://www.census.gov/eos/www/naics>

Example: NAICS: 561730 - landscape and maintenance contractor.
