This session is open to DBEs, prime contractors, minority organizations, chambers of commerce, contractors associations, and other stakeholders to learn about the Hawaii Department of Transportation's (HDOT) proposed DBE goals for the upcoming Federal Fiscal Year 2017 - 2019 and to provide feedback on the Department's goal setting methodology.

DBE Networking (10:15 a.m. - 12:00 p.m.)

Here's a chance for DBEs to meet other DBEs such as contractors, consultants, truckers, suppliers, IT related firms and others to build business relationships.

- Share your success stories and challenges with other DBEs
- Break up into smaller groups to market your firm
