July 21, 2014

The Honorable Ford N. Fuchigami  
Interim Director  
Department of Transportation  
400 Rodgers Boulevard, Suite 700  
Honolulu, Hawaii 96819

Attention: Mrs. Joy Masuda  
Supervisor

Dear Mr. Fuchigami:

**Subject: NOTICE OF GENERAL PERMIT COVERAGE (NGPC)  
National Pollutant Discharge Elimination System (NPDES)  
Kahului Airport Small Municipal Separate Storm Sewer System (Small MS4)  
Kahului, Island of Maui, Hawaii  
File No. HI 14KE349**

This letter is to notify you that the **STATE OF HAWAII, DEPARTMENT OF TRANSPORTATION, AIRPORTS DIVISION** (hereinafter PERMITTEE) is now covered under the NPDES General Permit authorizing discharges of storm water and certain non-storm water discharges from their Small MS4. Coverage under this general permit authorizes you to discharge only storm water and certain non-storm water discharges identified in Hawaii Administrative Rules (HAR) 11-55, Appendix K from the storm sewer outfalls identified in the Notice of Intent (NOI), dated February 28, 2014, and from your newly constructed storm sewer outfalls, **provided that you comply with HAR 11-54; HAR 11-55; HAR 11-55, Appendix A; HAR 11-55, Appendix K; and the information submitted in the NOI.** All other pollutant discharges to State waters are not authorized by this NPDES General Permit. HAR 11-54 and 11-55 are available on the Department of Health (DOH), Clean Water Branch (CWB) website at: <http://health.hawaii.gov/cwb/>.

**This NGPC will take effect on the date of this notice. This NGPC will expire at midnight, December 5, 2016 or when amendments to HAR, Chapter 11-55, Appendix K, are adopted, whichever occurs first. Failure to comply with HAR 11-54; HAR 11-55; HAR 11-55, Appendix A; HAR 11-55, Appendix K; and information provided in the NOI is an enforceable violation and your NGPC may be terminated. If you violate Hawaii Revised Statutes (HRS), Chapter 342D, you may be subject to penalties of up to \$25,000 per violation per day and up to two (2) years in jail.**

**Falsification of information, including providing information in the NOI that does not match what is actually occurring at the facility, may result in criminal penalties for the Permittee and their authorized representative as provided in Clean Water Act, Section 309 and HRS, Section 342D-35.**

As a reminder, this general permit requires the Permittee to:

1. Submit the Storm Water Management Plan (SWMP) within 120 calendar days of the date of this NGPC.
2. Develop, implement, and enforce the SWMP designed to reduce the discharge of pollutants from their Small MS4 to the maximum extent practicable in order to protect water quality.
3. Submit a new NOI with filing fee and obtain a new NGPC for any revisions to the information submitted in the NOI (with the exception of changes to contact person information for non-transfer of ownerships, newly constructed storm sewer outfalls, and changes to the SWMP). This NGPC cannot be modified.
4. Submit the annual report by January 28<sup>th</sup> of the following year in accordance with HAR 11-55, Appendix K.

All NGPC compliance submittals shall be submitted on the CWB Compliance Submittal Form for Individual NPDES Permits and NGPCs. This form shall be completed on the e-Permitting Portal located at: <https://eha-cloud.doh.hawaii.gov/epermit/View/home.aspx>.

**The Permittee is responsible for obtaining other Federal, State, or local authorizations as required by law.**

Please complete the DOH Customer Satisfaction Survey regarding your request for General Permit coverage. This brief survey is available on the e-Permitting Portal located at: <https://eha-cloud.doh.hawaii.gov/epermit/View/home.aspx>. Please use the Application Finder button and search for the "Customer Satisfaction Survey."

The Honorable Ford N. Fuchigami
