§19-42-41 Temporary mooring permit; reasons for issuance. The department may issue a temporary mooring permit for a berth because of the following reasons: (1) a berth assigned to a regular permittee will be temporarily vacant while the regular permittee's vessel is temporarily absent; (2) a berth will be temporarily vacant during the time an old permittee vacates the berth and the time the berth is assigned and the newly assigned regular permittee actually moves that person's vessel into the berth; and (3) assigning a temporary mooring permit affords maximum, safe, convenient, and efficient utilization of harbor facilities.
