

§19-43-22 Parking stalls; authorization. The division may establish, mark, and designate, where there is need therefor, a consecutive series of parking stalls for the parallel or angle parking of motor vehicles upon any area so designated for that purpose.

Wherever parking stalls are so established, marked off, and designated, the driver of any vehicle, excepting only single vehicles of a greater length or width, shall park such vehicle completely within a designated stall.

Unless otherwise authorized, each stall shall be for the use of a single vehicle only, and it shall be unlawful for the driver of any vehicle to park such vehicle in a stall already occupied by another vehicle.
