

§19-43-5 Traffic controls. All persons operating a motor vehicle on a state pier or within a state commercial harbor facility must comply with any lawful order, notice, signal or direction of any county police officer, state security guard, state law enforcement officer, or special police officer. When such traffic is controlled by traffic lights, signs, mechanical or electrical signals or pavement markings, such lights, signs, signals and markings on a state pier or within a state commercial harbor facility shall be obeyed unless directed otherwise by any county police officer, state law enforcement officer, or special police officer.
