Dear Harbor Agents Representing Cruise Ship Passenger Vessels:

Subject: Implementation of New Tariff Rates That Take Effect July 1, 2014 Affecting Passenger Fees As Provided by Chapter 19-44, Amended Hawaii Administrative Rules

The purpose of this letter is to provide information and clarification concerning the implementation of the new tariff rates affecting passenger fees that take effect July 1, 2014 as reflected in §19-44-70 and §19-44-73 of the Amended Hawaii Administrative Rules.

A cruise ship vessel for which its passengers embark or disembark from any of our commercial harbors at or after 12:00 a.m. July 1, 2014 will be charged the passenger fees applicable to the voyage at the July 1, 2014 rates, which is increasing to \$6.50.

A cruise ship vessel for which its passengers embark or disembark from any of our commercial harbors no later than 11:59 p.m. on June 30, 2014, will be charged the passenger fees applicable to the voyage at the rates in effect prior to July 1, 2014.

The approved amendments to Chapter 19-44, HAR effective February 1, 2010, are available on the DOT Harbors website, <http://hawaii.gov/dot/harbors/library>.

A revised self-report form that reflects the new rates that take effect July 1, 2014 must be completed and submitted to report passenger fees. The self-reports submitted must be accompanied by the full itinerary of the voyage being reported. This revised self-report form will be available on the DOT Harbors website, <http://hawaii.gov/dot/harbors/doing-business> no later than June 26, 2014.

Please remember to use the proper self-report form to report passenger fees that occur on or after July 1, 2014 by completing and submitting the form that specifies in the report title, "Rates Effective 07/01/2014 to 06/30/2015."

Should you have any questions or concerns please contact Kendrick Au, Fiscal Officer, at (808) 587-1893.
