# Introducing FAA Matchmaker

- Takes the system to the next level, combining airport opportunities with the DBE/ACDBE Directory
- Offers automated (opt-in) bid alerts to DBE and ACDBE firms
- Airports can effortlessly expand their sourcing efforts
- Enhanced search tool for DBE and ACDBE firms to identify opportunities

# FAA Matchmaker System - Key Points

- No cost to airports to post opportunities
- No cost to DBE/ACDBE firms to view opportunities and receive automated bid alerts
- Airports are encouraged to submit their opportunities through the website and advise their DBE/ACDBE firms to confirm their Matchmaker profile
- General contractors/primes can submit subcontractor opportunities as well

## DBE/ACDBE Directory

The FAA DBE/ACDBE Directory is a nationwide list of certified Disadvantaged Business Enterprises (DBE) and Airport Concession Disadvantaged Business Enterprises (ACDBE) and is operated in partnership with [B2Gnow](#). Firms actively certified by a government organization and loaded into the Directory are available from this search engine.

Information about each DBE/ACDBE includes contact information, location, certified business description, and assigned commodity codes. To view the entire list, leave all fields blank and click the **Search** button. Search results may be viewed but cannot currently be download.

*Note: the information contained in this directory comes from a variety of sources. If a discrepancy is found in a certification record, please contact the Certifying Agency listed on the record. The data should not be relied upon as an original record; refer to the source state UCP directory for verification. The certifying agencies have made determinations that the entities shown herein are certified as DBE and/or ACDBE firms, based solely on their own representation of ownership and licenses. You are encouraged to exercise due diligence and ascertain, for yourself, which firm is qualified to perform specific portions of work for you on any particular project.*

## Opportunities Bid Board

The FAA Opportunities Bid Board is a nationwide listing of active and upcoming bid opportunities at airports across the country. The information contained in the listings represents a summary of the opportunities; certified DBE/ACDBE firms can create a profile in the FAA Matchmaker System to receive automated email alerts when relevant opportunities are posted. When viewing a listing, click the options link for more details.

If you represent a government organization that would like to post opportunities, please [submit your bid using the online form](#).

*Note: the opportunities listed on this page are the sole responsibility of each airport. Contact the specific organization for more information regarding the bidding schedule and available documents.*

# Airport Sponsors - Submit a Bid Opportunity

## Submit a Bid Opportunity

Airports participating in the FAA Part 23 ACDBE and Part 26 DBE programs can submit bid opportunities for posting. There is **no cost** to post bids. Contractors and concessions with opportunities related to airport bids may also post. All submissions will be reviewed, and we reserve the right to decline any posting for any reason without notice.

Enter your opportunity in the form below. Required fields are indicated with a red asterisk \* although we encourage all information to be provided to facilitate high quality matches to certified firms. Incomplete submissions may be sent back for more detail. Click the **Submit** button when the form is complete.

# Success!

- Finally we have a tool that fills the gap of assisting airport sponsors in identifying potential DBEs and ACDBEs and increasing the awareness of the DBE and ACDBE community about airport contracting and concession opportunities. **(49 CFR 26.51)**

# Training Recap

- Please post your bid opportunities and goals to FAA System.
- Please encourage primes to post subcontracting/subconcession/JV opportunities related to your projects and concessions.
- Please encourage your DBEs and ACDBEs to configure their MatchMaker profiles.
- Please provide feedback to FAA regarding your experiences with the system.
