Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 Stat. 252), (prohibits discrimination on the basis of race, color, national origin);

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their
responsibilities. Executive Order 12898 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and FMCSA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following Federal Highways Administration (FHWA) website for more information and facts about Environmental Justice:
http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm

Additionally, Executive Order 13166 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the “application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.” When receiving Federal funds, Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT’s “Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,” dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted FMCSA Program:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in 49 C.F.R. §§ 21.23 (b) and 21.23 (e) will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with the FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The State of Hawaii, Department of Transportation in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations.

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.

6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:

   a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
   b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

   a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the State of Hawaii, Department of Transportation also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the FMCSA access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the FMCSA. You must keep records, reports, and submit the material for review upon request to FMCSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The State of Hawaii, Department of Transportation gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the FMCSA Program. This ASSURANCE is binding on the State of Hawaii, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors’, transferees, successors in interest, and any other participants in the FMCSA Program. The person(s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

III. Description of Federal-Aid Programs

Several of the grants which HDOT’s Motor Vehicle Safety Office (MVSO) has applied for, and will continue to pursue, include the Commercial Driver License Program Implementation (CDLPI) Grants, Motor Carrier Safety Assistance Program (MCSAP) Grant, and the Commercial Driver License Information System Grant. These grants are necessary, in part, to provide and fund infrastructure upgrades to the mainframe system maintained by the City and County of Honolulu (Department of Information Technology), which stores and processes CDL records and related transactions. Commercial Driver License Information System grants also funded infrastructure updates to the State of Hawaii’s mainframe in order to improve ability to update medical certification for all Commercial Driver License (CDL) and Commercial Learner’s Permit holders. For MCSAP-funded activities that benefit the public, MVSO provides safety presentations to motor carrier companies interested in learning the regulations and requirements related to MVSO and FMCSA, as well as performing public outreach notifying the public of appropriate safety regulations, such as using the vehicle seat belt.

For Federal Fiscal Year 2022 (FY2022), MVSO has applied for the following grants:

- **MCSAP**, with no subrecipients. MCSAP-funded activities include: Roadside inspection and enforcement, compliance reviews, and public outreach.

IV. HDOT Title VI Program Notification to Beneficiaries and Participants

This notice shall be placed in areas accessible to the public, such as, but not limited to, CDL testing locations and the publicly accessible areas of the HDOT Motor Vehicle Safety Office. Posting of appropriate notices was completed at the HDOT MVSO and confirmed via photographs provided and independent verification within FY2021.

V. Sub-Recipient Compliance Reports

HDOT is responsible for monitoring Title VI compliance of its sub-recipients, which includes ensuring sub-recipients provide Assurances (as described below), conduct process and program reviews, and collect and analyze data. 1. **Certifications and Assurances**: as part of its annual grant submission or agreement did the sub-recipient sign Title VI Certifications and Assurances?

2. **Public Notification**: does the sub-recipient have procedures in place for notifying the public of the Title VI rights and procedures that the public may follow to file a complaint?

3. **Public Participation**: does the sub-recipient have procedures in place for conducting public outreach and involvement activities?
4. **Investigation/Compliant/Lawsuit Process:** does the sub-recipient have written procedures for recording, responding to, and resolving Title VI investigations, complaints and lawsuits?

5. **Language Access Plan for LEP Individuals:** does the sub-recipient have a written plan for providing meaningful access to activities and programs for persons with LEP based on Federal DOT LEP guidance?

6. **Title VI Program:** has the sub-recipient developed a sufficient plan to implement its Title VI Program?

- County of Maui, Department of Finance – Motor Vehicle Registration and Licensing Division

**VI. TITLE VI Program Training**

HDOT shall provide Title VI training to all sub-recipients bi-annually to ensure that sub-recipients are aware of Title VI Program requirements that impact FMCSA-related activities. HDOT shall also provide Title VI training to all applicable HDOT personnel on a bi-annual basis, incorporating reference to the Title VI Program Policy Statement and applicable PowerPoint presentation(s), either in-person or web-based, provided by the HDOT Title VI Program Specialist or appropriate manager/administrator covered under this FMCSA Title VI Program Plan. Participation in the Title VI training will be noted in a record kept by the Title VI Program Specialist and the appropriate manager or administrator covered under this FMCSA Title VI Program Plan. A record of all appropriate staff trained by the Title VI Program Specialist as of the end of calendar year 2018, with additional documentation for subsequent training held for new employees in April 2020, is attached with this plan and can be found as Attachment 4 – Training Attendance Sheets, below.

In addition, HDOT shall provide a separate log of any Title VI FMCSA complaints received by OCR.

IX. Status of Corrective Actions Implemented by HDOT to Address Deficiencies Previously Identified During a Title VI Program Compliance Review

There have been no compliance reviews conducted by FMSCA that warranted corrective action within the last five Federal fiscal years. Similarly, there have been no compliance reviews conducted by other appropriate Federal agencies with civil rights compliance oversight authority over HDOT within the last five Federal fiscal years.

X. Community Participation Process

HDOT does not provide direct services to the public for motor vehicle registration and motorist licensure, and, therefore, no outreach activities have been scheduled to facilitate community participation. HDOT’s sub-recipients that provide direct services, such as motor vehicle registration, motorist’s licensure, and CDL testing, shall be monitored by HDOT to ensure compliance with this part. Federally-funded activities that do occur through HDOT MVSO include:
