

## **2022 Pacific Summer Transportation Education Program (PAC-STEP) Hosted by the University of Hawaii at Manoa - School of Engineering**

- This program is funded via the National Summer Transportation Institute grant initiative from the Federal Highways Administration (FHWA). **Travel and housing accommodation costs are covered by PAC-STEP.**
- **High School Students Grades 9-12** - Explore the various modes of transportation (land, sea, air, and transit) through an in-person learning environment!
- **Program Length: starting June 6, 2022 (with morning and afternoon schedule [Mon to Fri, 9AM to 5PM]) with program scheduled to end June 16, 2022<sup>1</sup>**
- **Location: IN-PERSON at the University of Hawaii, Manoa – College of Engineering** (Housing to be determined based on need and geographic location of student)
- Women, disadvantaged, and/or students of color interested in Science, Technology, Engineering, and Math (STEM) fields highly encouraged to apply
- Submit your application on-line at <https://forms.gle/tPGqoFjfTEGb9Ryb9> by **Monday 4/11/2022** for full consideration.
- For more information, check out our website: <http://www.eng.hawaii.edu/pacstep>
- Questions may be directed to the PAC-STEP Program Director, Dr. Roger Chen:
