

2024 Pacific Summer Transportation Education Program (PAC-STEP) Hosted by the University of Hawaii at Manoa - School of Engineering

- This program is funded via the National Summer Transportation Institute grant initiative from the Federal Highways Administration (FHWA). **Travel and housing accommodation costs are covered by PAC-STEP.**
- **High School Students Grades 9-12** - Explore the various modes of transportation (land, sea, air, and transit) through an in-person learning environment!
- **Program Length: starting Monday, June 17, 2024 (with morning and afternoon schedule, Mon to Fri, 9AM to 5PM) with program scheduled to end Friday, June 28 2024¹**
- **Location: In-person at the University of Hawaii – College of Engineering**
- Women, disadvantaged, and/or students of color interested in Science, Technology, Engineering, and Math (STEM) fields highly encouraged to apply
- Submit your application on-line at <https://forms.gle/HQD6PsbEhJ3jqKvF8> by **Wednesday, April 10, 2024**, for consideration.
- If you need an auxiliary aid/service, second language interpretation or other accommodation due to a disability or language, please contact Dr. Roger Chen at the contact below. Requests made as early as possible will allow adequate time to fulfill your request. Upon request, this notice is available in alternate formats such as large print, Braille, languages aside from English or electronic copy.
- For more information, check out our website: <http://www.eng.hawaii.edu/pacstep>
