Total	[O]=sum of [N]	1,035.30									

ILLUSTRATION

Note: Reported amounts on this form are subject to audit. In the event of an audit, the following records are required to support the total monthly enplanement counts by flight, including but not limited to:

(i) Departure date; (ii) Gate number; (iii) Aircraft type, series, and tail number; and (iv) Passenger counts.

(1) epax = enplaned passengers

(2) dpax = deplaned passengers

(3) Interisland airlines include Hawaiian Airlines and other signatory airlines that primarily operate interisland flights, as determined by Department of Transportation. As of December 2010, interisland airlines include HA, YV, MW and LW.

(4) Other airlines are airlines primarily operate overseas flights.

(5) Estimated by Airlines Committee of Hawaii and agreed to by Department of Transportation for FY2011, and subject to adjustment by Department of Transportation from time to time thereafter.
