Dear Cargo Operators, Terminal Operators, Land-Based Fueling Companies and Harbor Agents:

Subject: Implementation of New Tariff Rates That Take Effect July 1, 2010 Affecting Cargo Wharfage, Pipeline Toll, Bunkering and Wharfage for Fuel, Storage, Demurrage and Ship-Related Activities As Provided by Chapter 19-44, Hawaii Administrative Rules

The purpose of this letter is to provide information and clarification concerning the implementation of the new tariff rates that take effect July 1, 2010 as reflected in §19-44-73 of the Amended Hawaii Administrative Rules (HAR).

A vessel entering and docking at any of our commercial harbors at or after 12:00 a.m. July 1, 2010 will be charged the fees applicable to the voyage at the July 1, 2010 rates. A representative listing, but not an all inclusive listing of such fees, includes fees for wharfage, surcharges for foreign cargo, pipeline tolls and bunkering activity.

A vessel entering and docking at any of our commercial harbors no later than 11:59 p.m. on June 30, 2010, will be charged fees applicable to the voyage at the rates in effect prior to July 1, 2010, with the exception that charges related to any use of harbor facilities or any services provided on or after July 1, 2010 such as bunkering charges will be assessed at the July 1, 2010 rates.

The tariff rates for properly approved storage of shipping devices pursuant to Section 19-44-43(d) and for demurrage charges pursuant to Section 19-44-83 remain unchanged from the rates that took effect March 1, 2010.

As communicated to you earlier in our letters dated January 26, 2010 and March 1, 2010, the approved amendments to Chapter 19-44, HAR effective February 1, 2010, are available on the DOT Harbors website, <http://hawaii.gov/dot/harbors/library>.

Revised self-report forms that reflect the rates that take effect July 1, 2010 must be completed and submitted to report cargo related activities and user fees that occur on or after July 1, 2010. These revised self-report forms will be available on the DOT Harbors website, <http://hawaii.gov/dot/harbors/doing-business>, no later than June 1, 2010. These revised self-report forms include:

Overseas Wharfage Report,
Overseas Transshipment Wharfage Report,
Inter-Intra-Island Wharfage Report,

Inter-Intra-Island Transshipment Wharfage Report 65(b) and 65(c) and
Inter-Intra-Island Transshipment Wharfage Report 65(d)
Pipeline Toll Report (State) and
Pipeline Toll Report (Private)

Please note that for only the units of measure –“ton” and “mbf“, will the Harbors Division accept quantities reported rounded to two decimal places (example: 38.25 tons). For the unit of measure “bbl”, the Harbors Division will accept reported quantities rounded to four decimal places (example: 2,100.1234 bbl). All other quantities reported using the unit of measure of “**each**” which are used to report quantities such as but not limited to automobiles, shipping devices, empties, pallet load and the unit of measure “**head**” which is used to report livestock, must be reflected on these reports using whole numbers; no decimals are allowed for the reporting of units of measure “**each**” and “**head**”.

Although the charge for empty containers has been eliminated by the approved amendments to Chapter 19-44, HAR effective February 1, 2010, all empty container activity **must be reported** on the Wharfage Self-report forms. It is important to provide this information to DOT Harbors as this information is used to maintain accurate statistical information on container activity occurring at Hawaii’s harbors.

Attached for your ready reference is a schedule of the tariff rates for Wharfage, Pipeline Tolls and Bunkering Fees that will take effect July 1, 2010.

Please remember to use the proper self-report forms to report cargo related activities and user fees that occur on or before June 30, 2010 by completing and submitting your reports utilizing those forms that specify the following phrase in their report titles, “Rates Effective 03/01/2010 to 06/30/2010”.

Should you have any questions or concerns please contact Mr. Kendrick Au, Fiscal Officer, at (808) 587-1893.

Thank you for your cooperation as we continue to proceed with the implementation of the approved amendments to Chapter 19-44 of the HAR.

Very truly yours,

MICHAEL D. FORMBY
Deputy Director – Harbors Division
