CERTIFICATION: I hereby certify that the above information is true and complete to the best of my knowledge. I agree and understand that any assignment by the Harbor Master or his personnel is conditional based on availability of space, cargo operations and other factors. I also agree that as the need arises, the Harbor Master reserves the right to terminate the permit as deemed necessary.

I further agree to the following conditions:

1. This permit authorizes access of a personal vehicle into harbors' piers/facilities for the purpose of active loading/unloading of equipment, supplies and/or for the servicing of vessels moored at the apron (**NO PARKING**). The vehicle is not authorized within thirty (30) feet of the apron edge, unless permission is granted by the Harbor Master, Facility Security Officer, and/or their representative. In addition, the person(s) will need a valid reason for entry onto our piers/facilities, valid picture identification, proof of maritime security training to gain access to any of our harbors' regulated piers/facilities. The "Transportation Worker Identification Credential" (TWIC), when implemented by the United States Coast Guard, Captain of the Port, will become the required valid picture identification by September 2008 to gain access to our harbors' piers/facilities.
2. Renewal is permittee's responsibility. Decals expire ONE (1) year from date of issuance.
3. Decals are available at the Oahu District, Business Services Office, 2nd Floor, 700 Fort Street, Honolulu, Hawaii 96813.

7. Provide copy of current registration for each vehicle. Requires original Insurance Certificate naming the Department of Transportation, Harbors Division, 700 Fort Street, as an additional insured as respects to operations performed for the State of Hawaii. It is agreed that any insurance maintained by the State of Hawaii will apply in excess of, and not contribute with, insurance provided by this policy. The Permittee will immediately provide written notice to the Department of Transportation, Harbors Division, should any of the insurance policies evidenced on its Certificate of Insurance form be cancelled, limited in scope, or not renewed upon expiration. The policy must be current coverage for the applicable vehicle(s). Property Damage Liability coverage for \$25,000.00 per occurrence and Bodily Injury Liability coverage for \$300,000.00 per occurrence are the minimum insurance requirements.
8. Place decals on the front bumper driver's side of vehicle.

10. **MARITIME TRANSPORTATION SECURITY ACT:** The Permittee, in accepting the Permit, acknowledges that pursuant to the Homeland Security Act (Pub.L.No.107-295, 116 Stat.2135), and the Maritime Transportation Security Act (46 U.S.C.A. §70101, et al), the State's duties include, among other things, the duty to safeguard persons, property, and port infrastructures from destruction, loss, injury, and from acts of sabotage or other causes of a similar nature. The Permittee further acknowledges that the State, as the owner and operator of the State's commercial harbors, must comply with all requirements under the Maritime Transportation Security Act (46 U.S.C.A. §70101, et al), and its successor statutes and implementing regulations (collectively, the "MTSA"). The provisions of the MTSA are hereby incorporated by reference as though fully set forth herein. The Permittee acknowledges and agrees that it and its agents, employees and invitees shall, to the extent applicable, abide by the requirements of the MTSA. Furthermore, Permittee, its agents, employees and invitees, shall not obstruct, interfere with, or fail to obey the lawful command of, any State personnel in carrying out the duties required under the MTSA. Any violation of the above conditions may be grounds to terminate, suspend, or cancel the Permit as set forth under paragraph 14 herein.

*For Revocable Tenant Permittees Only: Refer to "Special Conditions for R. P. Service Vehicles."

I fully agree that any misuse of the intended purpose of this permit will necessitate its cancellation, and may result in citations.
