**APPLICATION FOR MOTOR CARRIER VEHICLE
CONSTRUCTION, MODIFICATION OR RECONSTRUCTION**

Pursuant to Section 286-202(12), Hawaii Revised Statutes, for approval of a major construction, modification, or reconstruction of a vehicle with a gross vehicle weight rating (GVWR) of 10,001 pounds and above.

The application of _____ respectfully shows that:
(Name of Company/Individual)

1. All correspondence in regard to this application should be addressed to:
NAME: _____
TITLE: _____
ADDRESS: _____

TELEPHONE NO.: _____
TYPE OF BUSINESS: _____

2. Applicant seeks authorization and approval from the Motor Vehicle Safety Office for the construction, modification, or reconstruction of the body of the following described vehicle pursuant to Section 286.202(12) of the Hawaii Revised Statutes:

Make: _____
Body Type: _____
Year: _____ License Number: _____
Vehicle Identification No.: _____
GVWR Before Modification: _____
GVWR After Modification: _____

a. Applicant states that the construction, modification, or reconstruction of the above-described vehicle will result in a change of body type, from a _____ to a body type described as a _____.

b. Applicant also states that the construction, modification, or reconstruction of said vehicle involves the following operation: (Describe clearly and concisely the description of the change.)

- 1. _____

- 2. _____

- 3. _____

- 4. _____

c. Attached herewith and made a part of this application are detailed plans and specifications of the change before and after.

d. Structural Engineer's certification (also a welder's certification, if applicable).

- 1. Safety specifications
- 2. Safety limitations
- 3. Structural Engineer's signature
- 4. Welder's signature (if applicable)

3. The applicant may initiate a letter or document in place of a Structural Engineer's certification, to relieve the State of Hawaii or any other state agency from future legal action

resulting from defects as a result of the construction, modification, or reconstruction that was done. The letter or document must be notarized and signed by the applicant.

Dated at _____, Hawaii, this _____.
(City) (Date)

SIGNATURE: _____
Applicant or Authorized
Party of Applicant

NOTE: Submittal of this application does not constitute the approval of your construction, modification, or reconstruction of said vehicle. Commencement of your construction, modification, or reconstruction shall begin after the final approval of this application.
