Let's convert this into **fatality risks**

...using this:

(Rosen & Sander, 2009)

Change in Fatality Risk

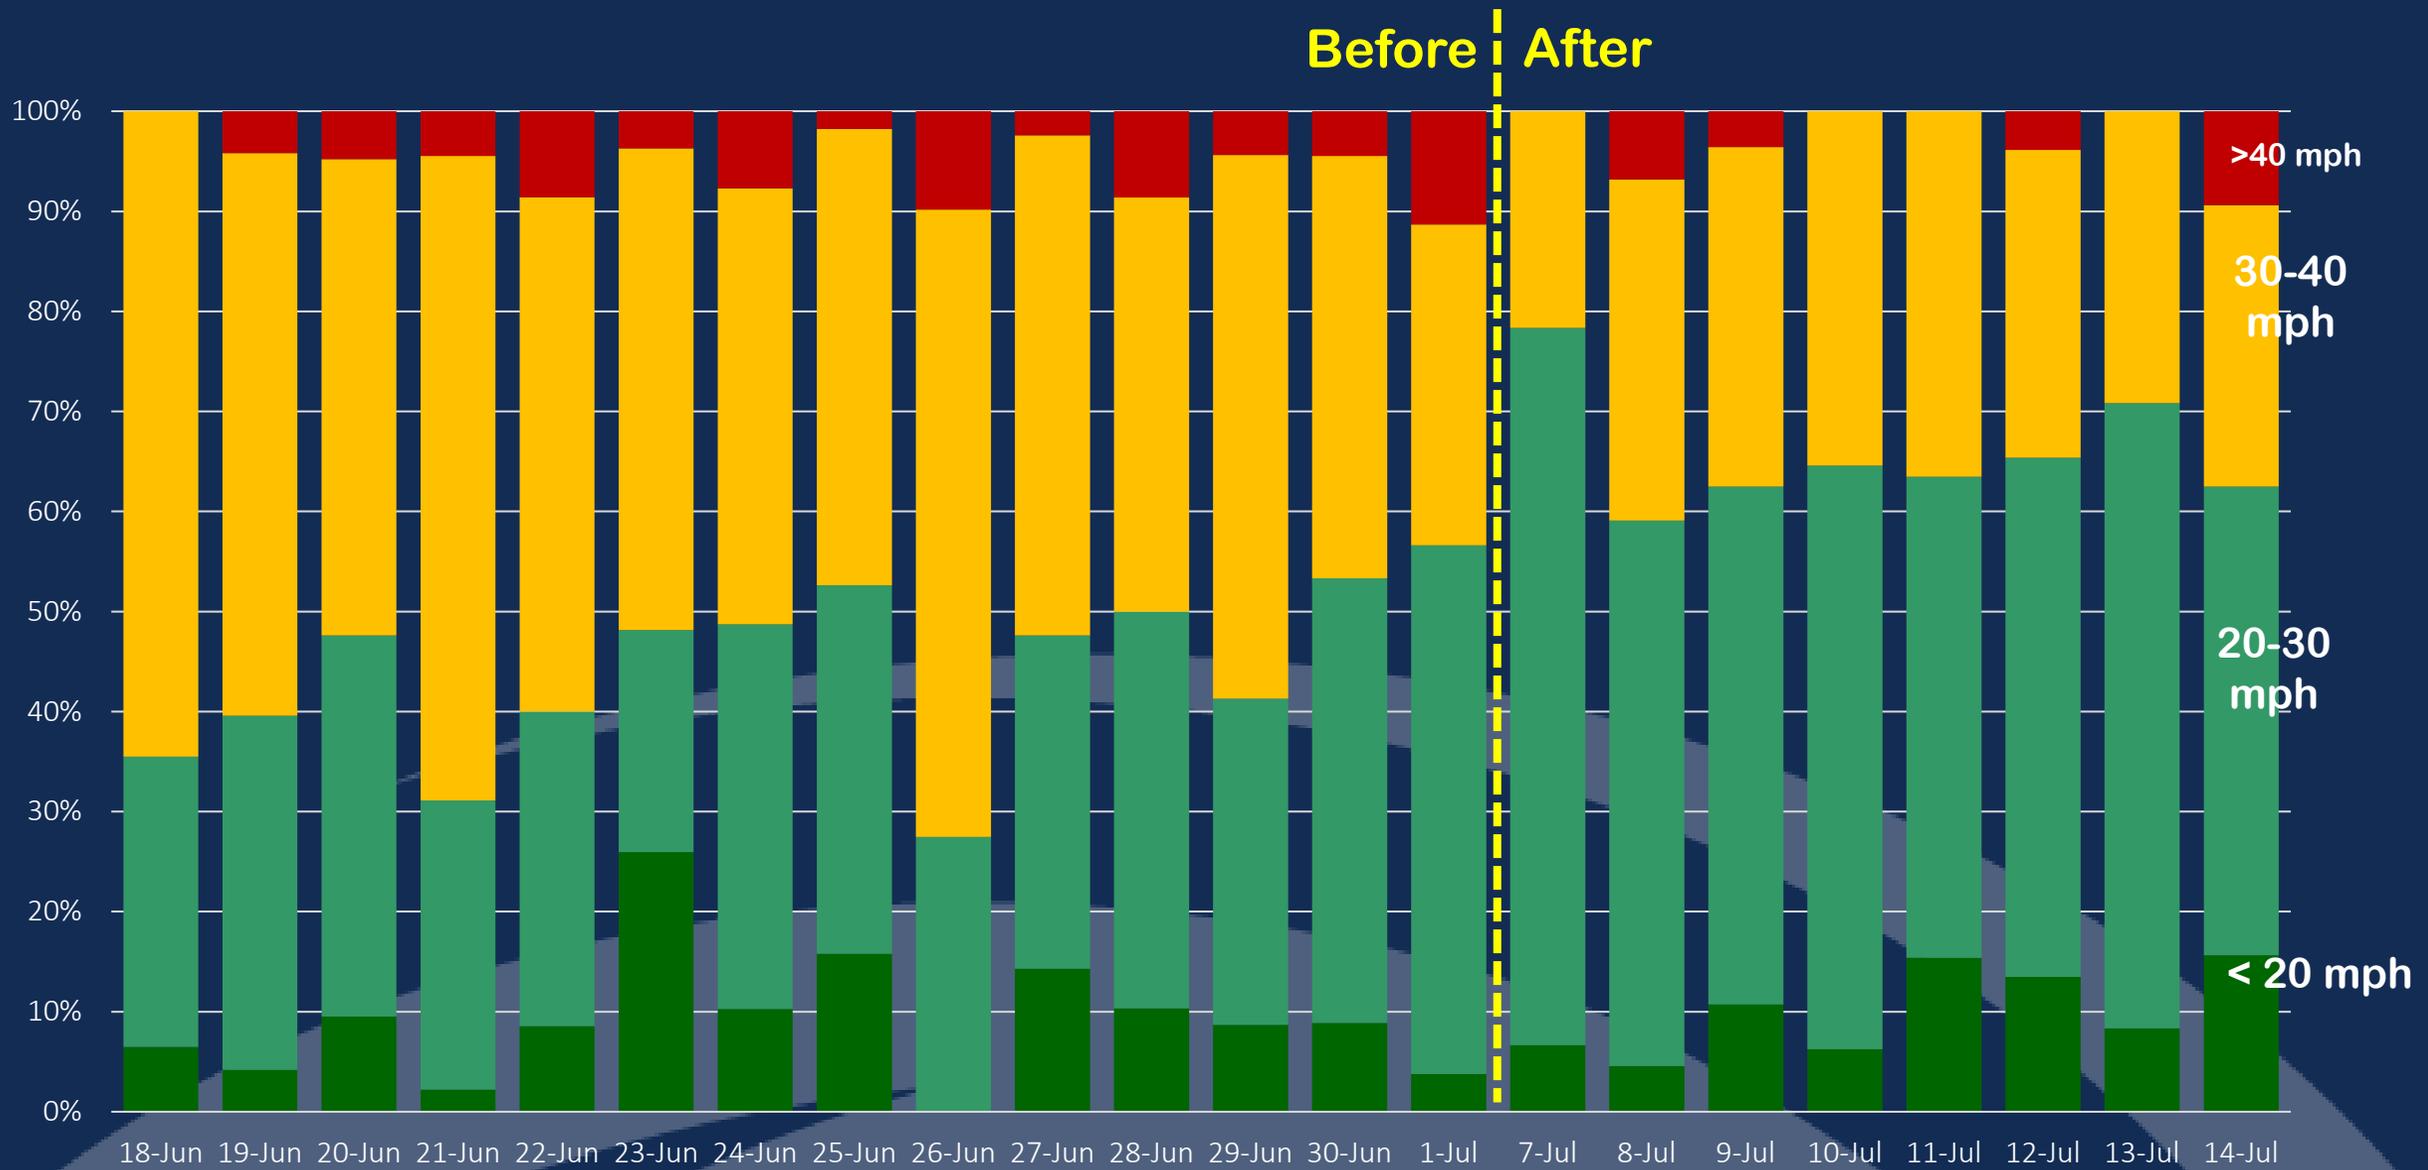

A large white hexagonal outline is centered on the page. To its left, a medium-sized blue hexagon is positioned, with a smaller grey hexagon to its left. To the top right of the white hexagon, a small light blue hexagon is placed. The text "Speed Study #3 Ft. Weaver" is centered within the white hexagon.

Speed Study #3
Ft. Weaver
