DIRECTOR

### NOTICE OF ABANDONED PROPERTY

Date: November <sup>7</sup>~~4~~, 2016

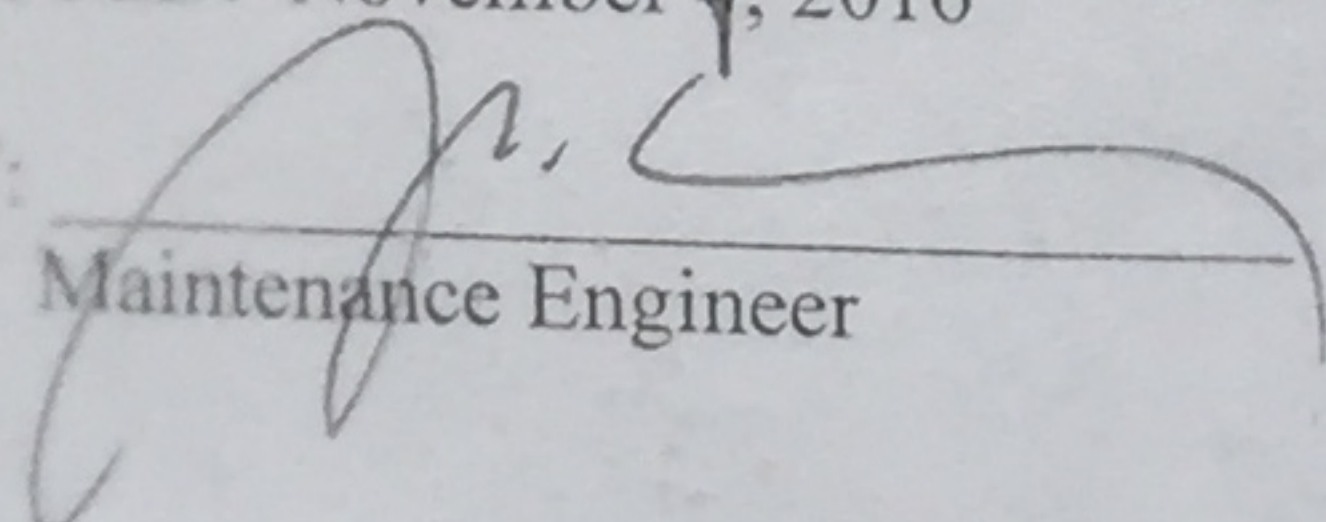

The property that is below this notice (and shown in the photographs that accompany this notice on record with the Department of Transportation and posted on the Department of Transportation's website) has been left unmoved and unattended since November 4, 2016, 10:45 A.M. on land owned by the State of Hawaii along Nimitz Highway adjacent to the bike path between Ahua Street and Middle Street. Pursuant to Hawaii Revised Statutes (HRS) § 171-31.5, the Department of Transportation has determined that this property is abandoned.

If the property is yours, please remove your property, discard the property, or contact the Department of Transportation, at 831-6714, by e-mail to MSWClerk@hawaii.gov, by mail to 727 Kakoi Street, Honolulu, Hawaii 96819, or in person at such address if you need additional time to remove the property.

If you do not contact the Department of Transportation by January 1, 2017, the Department of Transportation will dispose of the abandoned property pursuant to Section 171-31.5, HRS.

Notice No. 18 (HDOT)

## ABANDONED NOTICE 18

Notice was taken down because people were still there. A man (and perhaps someone else) was sleeping in the big box. He woke up but we couldn't understand him, and we were not sure he could understand us. They also had a dog.

Sent request to Scott's office to send out social workers.
