

Sustainable Transportation Forum
December 7, 2016
1:30 pm to 4:00 pm
Planning Conference Room, Kalani Pukui Building
250 South High Street
Wailuku, Hawaii

AGENDA

- 1:30 pm** **Welcome and Introduction**
The Forum brings together stakeholders to discuss how our transportation system can be transformed to achieve sustainability goals. Introductions of the participants, including key Federal and State representatives, will take place.
- 1:40 pm** **Purpose and Goals of the Sustainable Transportation Forum**
Partnerships and Available Resources: Creating Synergy through Collaboration
HDOT will provide an overview on their energy and mobility goals and initiatives, including a "mode shift" that changes the focus from moving vehicles to moving people and goods to save fuel and to increase bicycle, pedestrian and transit use. Transportation 4 America, the Environmental Protection Agency, and Hawai'i Nutrition and Physical Activity Coalition (NPAC) will discuss their roles and the resources they bring to assist us in achieving these goals.
- 2:00 pm** **Moderated Discussion: Identifying the Challenges and Opportunities to Achieve Transportation Sustainability Goals in Maui County**
Maui participants will be asked to identify obstacles and challenges to achieving energy and mobility goals on the state and county levels. Then the group will collectively identify how to overcome these obstacles and create opportunities to achieve these goals.
- 3:00 pm** **Open Discussion: Next Steps**
The group will discuss the next steps needed to move forward, and which individuals, organizations or entities would be responsible. This should identify "who, what, when and where" and could include the creation of action plans or the suggestion of pilot projects.
- 3:50 pm** **Wrap-Up**
Summary remarks and final comments are welcome.
