

# COMMENT FORM

## ALA MOANA BOULEVARD DRAINAGE REPAIR VICINITY OF QUEEN STREET TO VICINITY OF PIIKOI STREET PROJECT NO. HWY-92A-02-17M

COMMUNITY NOISE CONTROL, VARIANCE APPLICATION NO. V-973, DOCKET NO. 17-NR-VN-22

The State of Hawaii Department of Transportation, Highways Division (HDOT) encourages all interested individuals and organizations to comment on the Ala Moana Boulevard Drainage Repair Project in the vicinity of Queen Street to Piikoi Street. The project consists of replacing the top slab of a concrete double cell box culvert and roadway pavement reconstruction near the culvert repair work. The construction work includes creating a paved temporary contraflow lane opening in the grassed median, removing the roadway pavement above the top of the culvert and replacing the top slab of the concrete box culvert with pre-cast planks, reconstructing the roadway pavement and restoring the grassed median. The project may start as early as September 2017 and is expected to be completed within six months from the start of construction. The project will require lane closures and nighttime construction work.

Pursuant to Chapter 342F-5, subsection (h), Hawaii Revised Statutes, HDOT seeks written comments from interested persons regarding the Community Noise Variance application for this project. To comment on the project you can (a) complete this form tonight and deposit it in the Comment Box or give it to one of the members of the team, or (b) take this form home, complete it, and then fold it, staple it, affix proper postage, and mail it to us. You may also submit your comments and any questions to your building manager or the HDOT staff below:

- o Albert Chung: Albert.Chung@hawaii.gov
- o Brent Maeda: Brent.W.Maeda@hawaii.gov
