REQUIRED UNDER

SECTION 264-19(E), HAWAII REVISED STATUTES

**Annual report to the Hawaii Legislature on the Transportation Improvement
Special Fund**

Introduction:

Act 370, Session Laws of Hawaii 1997, established a transportation improvement special fund to fund qualified transportation projects and to receive reimbursements from private developers who have been advanced public funds to fulfill the conditions of land use development relating to transportation. This Act also requires that the Department of Transportation (DOT) submit an annual report to the Legislature on the use of the transportation improvements special fund including, but not limited to, the fund balance and expenses for the immediately preceding fiscal year and proposed appropriations from the fund for the next fiscal year.

Revenues:

Pursuant to agreements concerning DOT improvements to the Makakilo, Mililani, and Kunia Interchanges, developers will eventually reimburse a total of \$10,595,124.69 of DOT expenditures and the revenues will be deposited to the transportation improvement special fund. The fund received total revenues of \$919,979.41 during FY 2014-2015.

Repayment for the Makakilo Interchange improvements has been completed.

Repayment for the Mililani Interchange improvements has been completed.

Final payment of \$919,979.41 for the Kunia Interchange improvements was collected on 11/5/14 (FY15). This repayment closes out all remaining innovative financing projects for the Division.

All Transportation Development Agreements have been concluded.

Expenditures:

The 5% surcharge for central services will be transferred to the general fund during FY 2015-2016. No other expenses were incurred during FY 2014-2015 and no appropriations are requested for FY 2015-2016.
