

HANA HIGHWAY BRIDGE IMPROVEMENTS

JOIN US

The Hawaii Department of Transportation (HDOT), in partnership with the Federal Highway Administration, Central Federal Lands Highway Division (FHWA-CFLHD),

will be holding a community meeting to discuss a project to improve six of the historic bridges along the Hana Highway (Route 360) located between Huelo and Hana town in east Maui. The bridges include **Kailua Stream Bridge** (Mile Post [MP] 5.9), **Makanali Stream Bridge** (MP 8.2), **Puohokamoa Stream Bridge** (MP 11.0), **Kopiliula Stream Bridge** (MP 21.7), **Ulaino Stream Bridge** (MP 27.9), and **Mokulehua Stream Bridge** (MP 28.3). The project would improve these six bridges in a context-sensitive manner so they are safe and functional for highway users. Overarching goals for the project were developed through an earlier planning process for all bridges on the route. The six bridges now being studied in more detail have been identified by HDOT as high priority for improvements.

KEANAE COMMUNITY MEETING

The meeting will be held at the following location and time:

THURSDAY

MARCH 7 2019

STARTS AT 5 PM

Keanae Congregational Church, located on the Keanae Peninsula
13705 Hana Hwy Keanae HI 96708

WE WANT TO HEAR FROM YOU

Your input is important to us!

ADDITIONAL INFORMATION IS AVAILABLE ON THE BACKSIDE

HANA HIGHWAY BRIDGE IMPROVEMENTS

PURPOSE OF THE MEETING

This meeting is being held to gather input and support the environmental process and consultation under the National Environmental Policy Act and Section 106 of the National Historic Preservation Act.

Your input will help us understand the needs of the local residents, roadway users, and nearby communities on this important route. This then influences the vision, goals, and objectives of the project. HDOT and FHWA-CFLHD **encourage all community members to attend** to provide input on this important project.

UNABLE TO ATTEND?

Provide input through the project website at hanabridgeimprovements.com

or email the FHWA-CFLHD Project Manager, Thomas Parker, thomas.w.parker@dot.gov, phone: 720.963.3688
