

COMMENT FORM

**NIMITZ HIGHWAY AND ALA MOANA BOULEVARD RESURFACING,
KALIHI STREAM BRIDGE TO ATKINSON DRIVE
PROJECT NO.: F.A.P. STP-0300(158)
COMMUNITY NOISE CONTROL, VARIANCE APPLICATION NO. V-1111,
DOCKET NO. 19-NR-VN-31**

The Hawaii Department of Transportation (HDOT) will be holding a Public Information Meeting and Noise Variance Consultation to inform the public of construction work and to solicit input on the proposed night and Sunday work for the Nimitz Highway and Ala Moana Boulevard Resurfacing Project from Kalihi Stream Bridge to Atkinson Drive. The Project is estimated to begin as early as September 2019 and major construction activities are expected to be completed by October 2020.

The Project consists of cold planing; roadway resurfacing; reconstructing weakened pavement areas; adjusting utility manhole frames and covers; replacing existing loop detectors; installing traffic counting stations and weigh-in-motion stations; and installation of pavement markings and striping.

Pursuant to Chapter 342F-5, subsection (h), Hawaii Revised Statutes, HDOT seeks written comments from interested persons regarding the Community Noise Variance Application for this Project. To comment on the project you can complete this form and then fold it, staple it, affix proper postage, and mail it to us. You may also submit your comments and any questions to the HDOT staff below:
