Section 23 of Act 5, SLH 2019, as amended, Transfer of Operating Funds

Date of transfer	Amount of the transfer	Program ID from which funds were transferred	Program ID to which funds were transferred	Impact to the program ID the funds are transferred from	Detailed explanation of the public purposes served by the transfer of resources
3/4/2021	\$ 58,022	TRN 511/DD	TRN 595/DA	There will be no significant impact as this transfer does not change job responsibilities.	Generally accepted accounting principles require the differentiation of operating and maintenance costs and capital improvement program costs. Engineer VI, Position No.10780, is a supervisor of the Hawaii District construction section, therefore it is necessary to align the position's duties, functions and the appropriate funds.

Date of transfer	Position transferred	Program from which the position was transferred	Program to which the position was transferred	Responsibilities of the position prior to transfer	Responsibilities of the position after the transfer	Manner in which the transfer maximizes the utilization of personnel resources and staff productivity
3/4/2021	One half (.50) Full Time Equivalent (FTE) Engineer VI, Position No.10780	TRN 511/DD	TRN 595/DA	Engineer VI, Position No.10780, is a supervisor of the Hawaii District construction section which is responsible to conduct field inspection and field engineering services on assigned construction projects, ensure conformance with approved plans and specifications, and manage construction consultant support services.	Responsibilities of Engineer VI, Position No.10780 remain the same.	All positions under construction section are funded by TRN 595/DA. This transfer will align all positions' duties, functions and the appropriate funds.
