

Concerns

1

- **Crosswalk on Nuuanu Avenue**
 - Pedestrian visibility and vehicle speeds from vehicles making right turns from Wyllie Street
 - Vehicle speeds approaching intersection from Pali Highway
 - **Recommended Mitigative measures:**
 - **Reduce curb radius approaching crosswalk from Wyllie Street**
 - **Speed table on Nuuanu Avenue approaching intersection from Pali Highway**

- **U-turns on Wyllie Street**
 - Vehicles from Pali Highway make U-turns before Nuuanu Avenue to access Hawaii Baptist Academy campus.
 - **Recommended mitigative measure:**
 - **Flexible delineators in striped median**
 - **Additional No U-turn sign**

Proposed Mitigative Measures

Channelizing Curb System With White Flexible Delineator
Reduce curb radius to reduce vehicle speeds turning & approaching crosswalk

New Speed Table
Manage speeds through the intersection and approaching far side crosswalk

Yellow Flexible Delineators
Enhance No U-Turn restriction

New Signs

Nuuanu Avenue

Wyllie Street

To H-1 Freeway

Pali Highway
