Final Report to Legislature

- Feedback received to date
- Committee feedback?

Original Tasks (Fall 2024) plus recommendations to Legislature

- Create and launch a process to solicit and evaluate new project proposals – partially complete
- ~~Develop recommendations for encumbering the \$10M in FY2024–2025~~
- ~~Provide any legislative policy recommendations for the 2025 legislative session~~
- Develop a comprehensive statewide SRTS plan and program
- Invest in a strong network of SRTS staff
- Fund existing county-based SRTS plans, programs, and projects
- Others for 2025 workplan?

Next steps – what are the specific components of each?

- Develop a comprehensive statewide SRTS plan and program
- Invest in a strong network of SRTS staff
- Projects
 - Fund existing county-based SRTS plans, programs, and projects
 - Launch a process to solicit and evaluate new project proposals (revised to match report to legislature)
 - Evaluate current projects (state and county) to move some forward
